## SHANE'S CREEK

*(please stay for as long as you can)*

Meet at the Shane's Creek Trailhead on Gainsborough Dr, near the corner of Claridge Ct

We will be picking up trash along the Shane's Creek Trail and cutting back the overgrown section of the trailhead. If you have hedge cutters, please bring them.

Please be prepared to clean up and walk through wooded and potentially wet areas of the park. Please wear boots, work gloves, and appropriate weather-related clothing. We'll have trash bags to distribute.
