

KPWCA Board Meeting October 6th, 2026

Members Present:

Pamela Thibodeau, Secretary

Jonathan Reiser, Board Member At Large

Troy Dewitt, Treasurer

Also Present:

Allison Gray-Mendes, Membership Chair

Keith Jodoin, Halloween Chair

New Board Member Troy DeWitt and new Membership Chair Allison Gray-Mendes introduced themselves.

Halloween Festival

Keith gave an update on Halloween planning. The Showmobile stage was unavailable, so entertainment this year will be on the basketball court. A 10x20 tent will provide cover for the equipment. Two portapotties have also been ordered, because we've had issues with park portapotty cleanliness in years past. One will be designated for workers/volunteers. They'll be delivered the Friday before and picked up the following Monday, and Cathy DeLoach offered to pay for that bill. Road signs will go up tomorrow, Wednesday October 7th. Food trucks will be pizza and Kona Ice – Cathy will cover the Kona Ice bill, and pizza will be for purchase. Keith has had more trouble rounding up student volunteers than in past years, due to a new FCPS policy banning advertising non-FCPS events for service hours.

Keith will coordinate with Alan and Troy re. checks.

Pamela will host the Civic Association table at Halloween.

Trunk or Treat

Allison volunteered to host a Civic Association trunk at the Laurel Ridge Trunk or Treat. Pamela will pass on info when she gets it from the PTA. Pamela said she'd heard from two potential membership committee volunteers and would email that info. Allison also asked about becoming a voting board member – Pamela advised that would be a discussion for the President.

Dumpster Day

Dumpsters have been ordered and we're set for 11/7. We have four volunteers willing to come help check memberships at the gate. Jonathan volunteered to be the board member on site.

Meeting was adjourned at 7:16pm
